

AutoCash Fish-Bowl Drawing Script

Hello everyone; this is the digital me; so please don't be alarmed.

I am here to review our AutoCash results and give away \$150 with our Fish Bowl Drawing Contest! But first I wanted to thank everyone for your participation and support our credit union auto loan efforts.

A total of **75** members redeemed their AutoCash certificate for **67** loans. This represents an amazing ratio of **89% loan retention** with AutoCash referrals!

This also means that we have **67** chips in the fishbowl and three lucky individuals will share \$150. First place is \$75, second is \$50 and third place is \$25.

- Since we have had such fun with this contest, we have decided to continue the AutoCash fish-bowl drawing for the next 90 days! If you are not lucky today, you could be a winner in next drawing!

Well... let's do this. Drum-roll please.... Here are the winners. *(shake-up noise + rummaging noise. Digital Me takes out three chips from the bowl and places them on the table for the announcement).*

1. **Sally Smith** of the **Main Street** Branch wins \$75!
2. **Lisa Marie** from **Maypine Branch** wins \$50
3. And 3rd is **Dan Mann** at **Collinwood** branch for \$25!

Congratulations to the three lucky winners and everyone who participated!

We also have surveys from members for your viewing pleasure. After all who doesn't like extra bonus when they are shopping for a new or used car!?! Click "here" to review member feedback results.

Thanks again to everyone, keep up with your hard work and good luck for the next 90-day contest!
