

AutoCash Fish-Bowl Drawing Script

Hello everyone; this is the digital me; so please don't be alarmed.

I am here to review our AutoCash results and give away **\$150 with our Fish Bowl Drawing Contest!** But first I wanted to thank everyone for your participation and support of our credit union auto loan efforts.

Our 90 day contest has produced **86 AutoCash loans** and **86 chips** in the fish bowl! The more chip in the fish bowl the better your chance to win. Three lucky individuals will share \$150. First place is \$75, second is \$50 and third place is \$25.

Since we have had such fun with this contest, we have decided to continue the AutoCash fish-bowl drawing for the next 90 days! If you are not lucky today, you could be a winner in next drawing!

Well... let's do this. Drum-roll please.... Here are the winners. *(shake-up noise + rummaging noise. Digital Me takes out three chips from the bowl and places them on the table for the announcement).*

1. **Sally Smith** of the **Main Street** Branch wins \$75!
2. **Lisa Marie** from **Maypine Branch** wins \$50
3. And 3rd is **Dan Mann** at **Collinwood** branch for \$25!

Congratulations to the three lucky winners and thanks again to everyone. Keep up your hard work and good luck for the next 90-day contest!
